THE J.M. SMUCKER Co

# Creamy Caramel Iced Coffee

Sweet. Creamy. Refreshingly cold. This caramel iced coffee recipe is everything you want it to be — and then some, since **Dunkin'** Cold products make it surprisingly easy and convenient.

| Prep Time | Cook Time | Serves | Difficulty |
|---|---|---|---|
| 3 mins | N/A | 1 | Easy |

## Ingredients

- 1 Cold Caramel Artificially Flavored K-Cup® pod
- Ice Cubes
- 1/4 cup sweet and creamy coffee creamer
- Whipped cream or cold foam
- Smucker's® Sundae Syrup™ Caramel Flavored Syrup

  Drizzle Caramel Flavored Syrup

- Water

## Directions

**Step 2: Brew coffee over ice.**

BREW coffee over ice in a non-glass tumbler.

**Step 3: Add coffee creamer.**

POUR in the coffee creamer, then stir.

**Step 4: Top with more ice, whipped cream and caramel.**

TOP with more ice, whipped cream or cold foam and a drizzle of caramel. Chill and enjoy.

**Step 6: Pour instant coffee into glass.**

POUR the powdered instant cold coffee into a large glass.

**Step 7: Add water.**

ADD 1 1/4 cups water and stir until combined.

**Step 8: Add coffee creamer.**

POUR in the coffee creamer, then stir.

**Step 9: Add ice, then top with whipped cream and caramel.**

ADD ice, then top with whipped cream or cold foam and a drizzle of caramel. Chill and enjoy.
