

Caramel Apple Pie Cold Brew

Apple pie. Coffee. Your couch. Enjoy the best of all three at once with this sweet, flavored cold brew coffee recipe. It's the perfect treat to quench your cravings when you're at home. You might think it sounds hard to make, but it's actually as easy as ... well, you know.

Prep Time Cook Time Serves Difficulty

5 mins N/A 1 Easy

Ingredients

- 1/2 cup Dunkin' Cold Brew Concentrate
- 1/2 cup water
- 2 tablespoons caramel flavored coffee creamer
- 2 tablespoons apple pie filling (canned)
- Cold foam or whipped cream
- Smucker's® Sundae Syrup™ Caramel Flavored Syrup to drizzle

Drizzle Caramel Flavored Syrup

- Wedge of baked pie crust (from frozen), apple slice, additional pie filling, apple chip, cinnamon or other favorite toppers
- Ice

Directions

Step 1: Blend cold brew concentrate, water, coffee creamer and apple pie filling together.

COMBINE cold brew concentrate, water, caramel coffee creamer (or creamer + caramel flavored syrup) and apple pie filling in a blender container. Blend until smooth & frothy.

Step 2: Drizzle inside of a glass with caramel and add ice.

DRIZZLE and decorate the inside of a glass with caramel flavored syrup and fill with ice.

Step 3: Pour blended coffee over ice and top with whipped cream, apple pie filling and pie crust.

POUR blended coffee over ice in the glass and top with whipped cream or cold foam, sliced apple, additional pie filling or apple chips, and a wedge of baked pie crust. Sprinkle with cinnamon and drizzle with caramel flavored syrup. Then, chillax.
